

The Eight Domains

Government – Appointed Authority	Reveals – The King of Kings
<ul style="list-style-type: none"> • The focus is on the institution and organization of the masses of people. • Appointed authority is established from the people-up w/ representative consensus. • Providing and ensuring justice and equality for all citizens including executive, judicial, military, law enforcement and central community services. 	Attribute – Justice Justice for the weak and voiceless in a society including children, women and immigrants.
Economics / Business - Influence	Reveals – The Provider
<ul style="list-style-type: none"> • The focus is on the laws of nature as related to land, property, money, debt and stewardship. • Enablement seeks to provide the opportunity for individuals to provide for themselves and to not become dependent on aid. • Providing needed goods and services and gainful employment opportunities for the community at the fair market price and wage. 	Attribute - Goodness Honest Gain, Enablement of poor, integrity of the work force, stewardship of resources and community conscience.
Technology/ Science -Influence	Reveals – The Creator
<ul style="list-style-type: none"> • The focus is on the laws of nature. All natural law when discovered will lead us to a revelation of God because he made the material world. • Understanding Hygiene, Nutrition, Sanitation and Environmental Stewardship embraces God’s desire of prevention of disease. • Discovering and using God’s law for the blessings of all people, pursuing a higher standard of living, better health and better stewardship of all God’s natural resources. 	Attributes – Order and Power Health, nature, hygiene, medicine, engineering, technology, ecology, and the animal kingdom.
Church - Anointed Authority	Reveals – The Great High Priest
<ul style="list-style-type: none"> • The focus is on the leaders (individuals), not the institution. They are called / anointed into leadership not selected by credentials and talents. • Anointed Authority is established in a top-down structure. • Providing for the discipleship of all believers in the whole nature and character of God and His Word applied to the work and walk of faith, and to facilitate the expression of that faith in worship and in the sacraments of the Church. 	Attributes – Holiness & Mercy Every believer has a role to play in reaching and teaching the community. Through God’s sovereign choice and anointing society will be called to accountability to the Word of God.

Family – Applied Authority	Reveals – The Father
<ul style="list-style-type: none"> • The focus is on the Law of Love as applied as men love their wives, wives obey their husbands, and parents love their children. This is a one-on-one love and the smallest building block of human society. • Applied Authority is granted by God to parents to raise and influence their children as the primary source of love. • Providing a safe, nurturing environment for growth, values and education for the next generation. 	Attributes – Love & Nurture Culture, Education, Morality, Provision, Justice, and Discipline are all first established in the family system,
Education - Influence	Reveals – The Great Teacher
<ul style="list-style-type: none"> • The focus is on the laws of human nature. As with family and church the focus is on the individual verses the masses and is best utilized in association with Applied Authority verses Appointed Authority. • Providing for the development of the God-given gifts in every child for the service of their fellow man and society, believing every child is gifted by God and has the right for those gifts to be developed to their highest potential. 	Attribute – Wisdom Family involvement and support in at the crux of the education system. It is our discernment and wisdom as believer as to how to integrate values to the process.
Communication - Influence	Reveals – The Living Word
<ul style="list-style-type: none"> • The focus is on the Laws of human nature based on the ability and desire to exchange information and express communication. • We have to agree with the freedom to communicate for all peoples if we want to secure the right and freedom to communicate the Truth. • Providing truthful, objective information of importance to the community so citizens can make informed decisions. 	Attribute – Sovereign Will Books, poetry, monuments, speeches, scribes, messengers, the tongue, words, scrolls, tablets, signs and storytelling...
